Leisure Landscapes Awarded Contract with Brook Forest Townhome Association

Leisure Landscapes received official notification today that it has been awarded the landscape maintenance contract for the Brook Forest Townhome Association. The contract is effective July 1, 2011.

Notification of the selection was received from Bonnie Giles, Project Manager for the Talis Management Group, Inc. Talis specializes in community association management and represents 140 associations across the Triangle covering over 30,000 homes. “This contract is notable” said Bonnie “in that Brook Forest is one of the largest townhome developments in the area, comprising over 190 units”.

Leisure Landscapes will be providing its Complete Care Plan maintenance program that includes all lawn care, tree and shrub care, fertilization, weed control, seasonal flower changes and mulching. Leisure will also provide its IrriGuard irrigation system maintenance program. The contracts are valued at over \$50,000 annually.

Eric Puskar, President of the Brook Forest Townhome Association, said “The Board is impressed with the level of professionalism in both the proposals and the presentation made by Leisure Landscapes and feels this company will be the most responsive to our Association’s needs.” Also bidding on this project were TruGreen Landcare and the Brickman Group, Ltd.

“I am pleased to be selected from some of the industry’s best-know names in commercial maintenance ” says Paul Martin, President of Leisure Landscapes. “We look forward to a long and mutually beneficial relationship with Brook Forest and are prepared to serve all of their landscaping design, installation and maintenance needs.”

Brook Forest is one of the largest townhome associations in the area with over 190 units.
