Leisure Landscapes selected by the Alyson Pond Homeowners Association

Leisure Landscapes was selected by the Alyson Pond Board of Directors to be the maintenance provider for Alyson Pond. The community is located on Litchford Road near Falls of the Neuse and I-540 in North Raleigh, NC. The community has often been cited as one of the area's best residential communities for young families.

Matoka Snuggs, Senior Property Manager with Charleston Management Corporation, reports that "we were so impressed with the [Alyson Pond] proposal that we have asked them to prepare a landscape design for the entrances to our Salem Woods office complex."

The winning bid was prepared by Paul Martin of Leisure Landscapes and will provide their Complete Care Plan. The contract takes effect January 1, 2006.

Alyson Pond will be maintained in top condition with the Leisure Landscapes Complete Care Plan.
